

kidsROCK

Relying on Christ the King

General Information

kidsROCK runs on Wednesday nights from 7:00-8:15pm

For more than three decades, First Baptist Church Tillsonburg has provided weekly kids and youth programs for the young people of our community. Continuing this legacy, this year we are re-launching our weekly children's program for grades 3-5 under the name kidsROCK.

The purpose of this program is to provide a place where children in grades 3-5 can come for a free weekly program that encourages friendship building, physical activity and Christian values. Each week kids can expect to come to a safe and encouraging environment where they can participate in a variety of activities that engage the mind, body and soul.

Most weeks kidsROCK will be held at the Rolph St. School Gym for the entire time. However, once per month the program will be held at First Baptist Church (101 Bidwell St.) where we will have a special program, family movie night or event with the group. You can refer to the kidsROCK calendar for details on these special nights.

Please take a look at some of the frequently asked questions about this program. If you have questions of your own related to this program please call the FBC office at (519)842-8762 or e-mail us at church@fbctillsonburg.com and we will be glad to help.
