MONTHLY MISSION: CAMP ONEIDA

Camp Oneida is located on the beautiful shores of Lake Erie, fifteen minutes east of Port Dover, ON. Along with 50 other churches in Oxford-Brant, Norfolk and the Niagara-Hamilton region, FBC Tillsonburg partners with Camp Oneida.

For seventy-five years we have been building the lives of families, teens and children by the Rock, Jesus Christ. Oneida means Granite People - ROCK.

Hundreds of campers have experienced the love and the sacrifice of Jesus for their sins, resulting in decisions to accept Christ at campfire, bible study, evening vespers, morning watch, cabin devotions, or sitting on the beach or under a shade tree taking in God's creation.

We are so thankful for churches like FBC and for individual donors that support the army of volunteers and paid permanent summer staff that model Christ during each day of camps .

Camp would ask that we put Oneida in our prayers and financially support sending children and teens to camp to help with their ministry.
